Principal’s Update Term 3 Week 3

The theme for Education Week this year is Celebrating our Local Heroes. The Dungog and District Community of Schools Education Week Assembly held yesterday was certainly that.

I want to congratulate all students and thank parents and carers for all the hard work and energy they put into our ‘Dancing Toys’ performance. Students looked fabulous and it was obvious that they were enjoying themselves as they delivered a very entertaining performance.

I would also like to congratulate our local award winners, Leanne Doory who received our Community Member award and Caiden for his Student Achievement award.

Today we had a large turnout for our school assembly and we hope you enjoyed our celebration of student achievement and morning tea.

Next week looks a little calmer for us. A chance to catch our breath before the busy second half of this term arrives full of things like the Le Tour De Glen William Bike Ride, Raw Art, AFL, Tennis, Spelling Bee, Public Speaking, inter-school science activities, sporting events and excursions to Canberra and the Civic Theatre.

Living In Antarctica
On Wednesday afternoon primary students were lucky enough to participate in a video conference with three people working at Casey Research Base in Antarctica. We spoke with the doctor, mechanic and team leader. They talked about what they do, how they live and showed us around Casey station. Each school asked them a question related to their time in Antarctica and it was interesting to hear their answers.
