Principal’s Update Term 3 Week 8

This week was SAS Staff Recognition Week. This was an opportunity for us to recognise and acknowledge the vital role that SAS staff play in the running of our school. Mrs Manning, Mrs Reeves and Mr Frost provide us with exceptional service and we greatly value their contribution to supporting the education of the students at Glen William.

The end of this term seems to be maintaining the ‘busy’ schedule we started with. We have had Regional Athletics, Public Speaking and Science Day at the high school with Spelling Bee and the K-3 Very Cranky Bear excursion both happening next week.

Mrs Murray

Assembly

There was no assembly this week.

The Very Cranky Bear - K-3 Excursion to the Civic Theatre

The Infants class has been preparing for their visit to the Civic Theatre on Tuesday and everyone is looking forward to the show. Please note that it is an early start. Students need to be at school at 8 am sharp to catch the bus. Full sports uniform, including a school hat should be worn. Please pack a healthy snack and a popper in a disposable, labelled container.

Students will eat lunch on return to school.

Regional Athletics

Last Friday Charlie, Kendall, Aaron and Jayden represented us at the Regional Athletics at Glendale in the small schools relay. They came third on the day and based on times, will now represent our school at the State Athletics Carnival to be held in Sydney in October. Well done! This a fantastic achievement and we are very proud of your efforts.

Science and Engineering Day

Today our Year 5 and 6 students went to Dungog High School to take part in a Science and Engineering Day with local primary schools. Students took part in a range of group activities with a design focus.
Lions Club Luncheon
A big thank you to the Clarence Town Lions Club for providing a BBQ lunch for us yesterday to celebrate Child Dignity Week. We certainly appreciate the wonderful support this group provides for our school.

Enrolments for 2016
If you know of any one who might be interested enrolling in 2016, please ensure they contact the school for an enrolment package and to put their name on our list.

P & C
The Father's Day stall was held today and students should have brought home some small gifts to hide for Sunday.

Switching onto safety for Electricity Safety Week
Our students are switching onto safety as part of Ausgrid’s Electricity Safety Week, a state-wide program that teaches students how to stay safe around electricity both at home and outdoors.

We hope they will share the important safety messages with parents and siblings – such as identifying dangerous electrical situations, knowing what to do in an emergency, using electrical appliances safely and keeping them away from water.

A safety reminder for parents as we approach summer storm season: If you see a fallen powerline, stay at least 8 metres away from it and anything it may be touching. Always assume powerlines are ‘live’ and dangerous. Report them immediately to Ausgrid on 131388 or call Triple Zero (000).
